

# Egg Layer of the Month

## Loretta Lynn

**Nickname:** LuLu

**Age:** 3 years

**Birthplace:** Picalily Farm

**Child of:** Unknown. We hatched her from eggs purchased from Frizzle Feather Farm

**Mother of:** Stars

---

### BREED

BREED NAME: Silkie

ORIGIN: The Netherlands

KNOWN FOR: Broodiness. A hen will become “broody” when her body has decided it’s time to hatch babies. She will lay her eggs, then sit on her nest 22+ hours/day for 21 days awaiting their arrival.

---

### PERSONALITY

Lulu, is a sweet girl, but not a good mama. She has been broody twice in the past few years, but is unable to care for her chicks when they hatch. Lulu loves peaches, and her daughter Stars.

---

### EGGS

Silkies hens will lay an average of 100 Light brown,<sub>small</sub> eggs per year.
